To whom it may concern:

J. R. Schiller, Jr. painted our living room, hallway and family room walls as well as our ceilings. This occurred from August 23, 2010 until September 6, 2010. He did a very good job, following our every request, instruction and suggestion. He is an EXCEPTIONALLY clean and tidy professional. He is careful to be very clear about what we as his customer wanted and how we wanted it accomplished. Because of some of our family concerns, Bob was even willing to move furniture and books to get ready for the job. He was extremely careful about all our possessions. He is also a very pleasant, sincere and polite man.

Handwritten signature in cursive script, appearing to read "Karol Dyer" and "Jim Dyer" stacked vertically.
